Formosa MAX + Extra Volant

Formosa Max impresses with its elegant appearance and modern design. One set of arms is sufficient to shade an area of 600 x 400 cm.

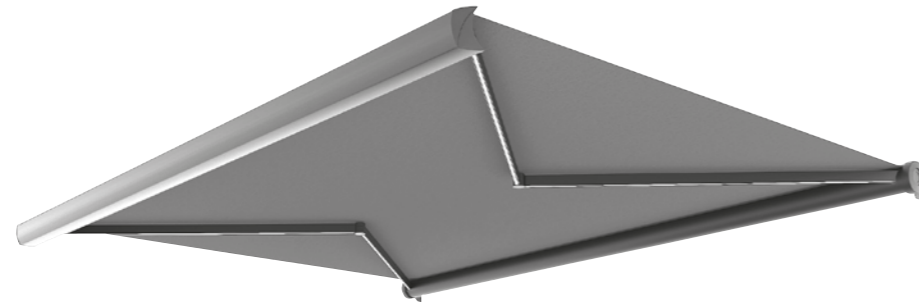

An additional advantage of Formosa Max is the possibility of using modern LED lighting, which makes your terrace even more attractive and practical!

Your supplier of sun protection systems

Formosa MAX

Extra Volant

Formosa Max + Extra Volant is a unique model that provides maximum shade and privacy.

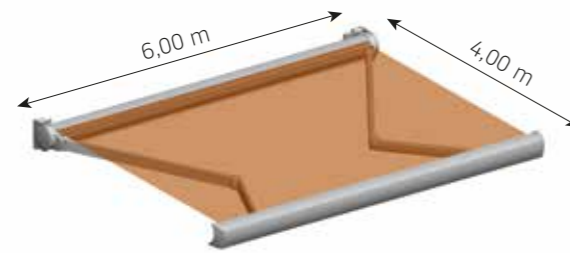

The retractable roller blind valance can be operated with a motor or crank. The cassette protects the fabric from various atmospheric conditions.
