

Your supplier of sun protection systems

## Formosa

Formosa can be mounted on walls or ceilings. It provides sun protection for terraces, balconies, window niches, shop windows and verandas. Characterised by an elegant appearance and modern design. One set of arms is enough to cover an area of 500 x 300cm.

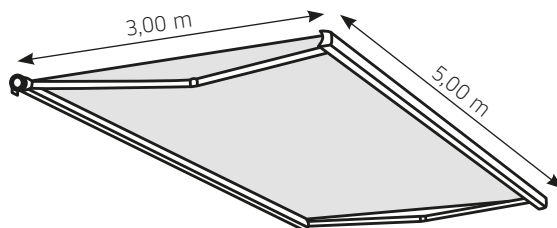

The cassette provides protection for the fabric and arms against wind, snow, rain and dust.

Type:  
**FORMOSA**
