Lago

Lago offers many technical and functional advantages. The quality of its finishes gives an aesthetic appeal down to the smallest detail. With Lago, we succeed in protecting large spaces thanks to a reach capacity of up to 4 metres and a width of up to 12 metres in 4-arm installations.

There is an option of LED lighting integrated into the cassette, arms, and front slat. This awning model offers four box options: cassette, semi-cassette, semi-open, and open.
